⦿ Coimbatore Tamil Nadu

PROFILE

Mathematics graduate with expertise in HTML, CSS, and JavaScript, seeking a frontend developer role to apply analytical skills and create engaging user interfaces. Eager to contribute to innovative projects and grow professionally in a dynamic environment.

SKILLS

- HTML
- CSS
- JavaScript
- ReactJs
- Git
- jQuery
- Tailwind
- Bootstrap

PROJECTS

INTERACTIVE QUIZ APP

- Dynamic Functionality: Developed using JavaScript to provide real-time feedback and score tracking for an engaging user experience.
- Responsive Design: Ensured compatibility across various devices with a responsive layout using CSS.
- User-Friendly Interface: Designed an intuitive and visually appealing interface for easy navigation and interaction.

BLOG PLATFORM

- User-Friendly Interface: Developed a simple and intuitive interface for users to easily create, edit, and delete blog entries.
- Data Management: Implemented functionality for storing blog data locally, enabling users to access and manage their content efficiently.
- Dynamic Features: Integrated dynamic elements such as rich text editing and image uploads to enhance the blogging experience for users.
